Discipline Guidelines

* Providing a safe environment (both physical and emotional) is a Club priority. As required, the Club's restorative discipline model is progressive, based on the severity of the incident. The Club focuses on prevention, taking advantage of teachable opportunities through restorative protocols.

Any Club member who behaves in a way deemed by staff to be disruptive, and/or physically or emotionally dangerous, or who abuses privileges (including the use of Club assets or facilities) will be disciplined appropriately.

Club privileges can be revoked. Any persons who are deemed in violation of the Club's Code of Conduct will be subject to removal from the Club facility.

Parents/guardians who display behavior or clear indicators they may be impaired or in crisis, will not be allowed to pick up their child/teen. Club staff will calmly work with the parent/guardian to find an alternative transportation option. If the parent/guardian becomes combative or insists on taking their child/teen, Club staff are required to call 911.
